

**Bij andere getwiste kabel 66% afstand!
Bij ongetwiste kabel max. 50 meter buitenpost naar videofoon.
UTP op aanvraag.**

A diagram of a 3-pin power connector. The pins are labeled 1, 2, and BUS. Pin 1 is the top pin, pin 2 is the middle pin, and the BUS pin is the bottom pin. The connector is shown with a blue background and a black border.

De aders moeten echt OP de connector doorgelust worden!
