

VideoVerdeler

The diagram shows a grey rectangular video distributor with two ports labeled 'IN' and 'OUT'. Four colored wires (red, yellow, blue, and green) enter from the right. The red and yellow wires are connected to the 'IN' port, and the blue and green wires are connected to the 'OUT' port. Below the distributor, a warning text is displayed.

**De aders moeten
echt OP de klemmen
doorgelust worden!**
